# Tradition

Weddings have been a tradition at Watervale since Vera Kraft married Vernon Noble in front of the fireplace of the Cecelia cottage in 1938. Since then, Watervale has hosted numerous celebrations ranging from formal affairs, to casual receptions and intimate dinners. From simple ceremonies to weekend-long celebrations, Watervale offers a unique choice in wedding locations.

Dates are available during the spring lilac season of May and June and the early fall colors of September. The Inn, Casino and Terrace are available for your exclusive use the day of your wedding for your reception, dinner and dance. The fee is \$6000. The maximum we can accommodate is 150 guests. There is a \$5,000 minimum in food and drinks that must be met. Watervale does not allow any outside catering or alcohol.

# Accommodations

Watervale is a restored historic logging town on the National Historic Register. We have twelve cottages, three buildings with rooms with private baths and the Inn with eighteen rooms with shared bath. We can accommodate approximately 150 guests. The wedding rate is \$58 per person per night and that includes breakfast and all taxes and gratuities. Half occupancy is expected, meaning that a cottage that sleeps 8 must have at least 4 people staying there. Please note that only cottages owned by Watervale are available for your weekend. Bay Down, Happy Hollow, Ella and Loft are not available out of season. Duncan cottages may be reserved by contacting Maggie Duncan for rates and availability at 231-352-4215.

If you would like to reserve Watervale for your wedding weekend, please let us know. Cottages and rooms will be reserved for you and your guests the Friday and Saturday of the wedding weekend. Longer stays are generally available but breakfast is served only on Saturday and Sunday. You are responsible for placing your guests in the cottages and rooms. If you decide not to reserve Watervale then cottages and rooms will be made available at our regular rates based on availability.

# Local Sources and Recommendations

We always recommend that you consider using local sources and seasonal food & flowers when planning your wedding. We have great farmers markets, garden and florists in our area. When you use local sources, you truly eliminate much of the stress of long-distance and internet planning. Northern Michigan and Benzie County has much to offer. For a spring wedding, please keep in mind all the gorgeous flowers like lilacs, lily of the valley and myrtle that grow wild at Watervale. Tulips, peonies and roses are all blooming locally. For your menu there are wild leeks, morels, asparagus & strawberries to feature. For the fall season, sunflowers, asters and cosmos are in bloom. The late summer harvest is available at the Farmer's Market with selections of squash, green beans, heirloom tomatoes, root vegetables and more.
